

- ♦ Build on the Coalition's BAME Access to Finance report to identify ways to encourage more BAME applicants to apply for finance and set up small business. We will publish diversity data on government entrepreneurship programmes and seek to achieve fair representation of BAME communities.
- ♦ Encourage businesses to ensure at least one place on their board is filled by a BAME candidate.
- ♦ Monitor and tackle the BAME pay gap.
- ♦ Outlaw caste discrimination.
- ♦ Maintain funding for people to develop and improve their English language skills to enable them to fully participate in society and achieve their potential.
- ♦ Challenge discrimination in the criminal justice system by:
  - ❖ Improving the safeguards in police stop and search powers in England and Wales with tighter guidance and requiring police to wear body cameras in Section 60 areas, the establishment of which will require judicial sanction.
  - ❖ Boosting police recruitment from BAME groups.
  - ❖ Conducting a full review of the causes of the overrepresentation of BAME individuals in the criminal justice system.

To tackle religious discrimination and support faith and belief communities in working together we will:

- ♦ Continue support for the Interfaith Network to promote strong and sustainable relations between different faith communities.
- ♦ Support projects aimed at tackling intolerance such as Show Racism the Red Card and the Anne Frank Trust UK.
- ♦ Work closely with faith and community organisations, such as the Community Security Trust (which works to protect the Jewish community against antisemitic attacks) and the Muslim Council of Britain, to prevent hate crime, including at places of worship like synagogues and mosques. We are determined to combat antisemitism and anti-Muslim hate in the UK and internationally.

To empower people with disabilities to live full lives and achieve their potential we will:

- ♦ Improve the benefits system for disabled people, based on the principle of one assessment, one budget. This will bring together support like Personal Independence Payment, Employment Support Allowance, a replacement for the Independent Living Fund and health and social care entitlements. We will implement the proposals set out in the 2015 Green Paper on Learning Disabilities.
