

- make the Welsh Government responsible for raising more of the money it spends so the Welsh people can hold their politicians to account.

*We will continue to build a Northern Ireland where politics works, the economy grows and society is strong*

We will maintain Northern Ireland's position within the United Kingdom on the basis of the consent of its people. Our strong support for the political institutions established over the past two decades as a result of the various Agreements will continue. We will:

- put the safety and security of the people of Northern Ireland as our highest priority. We will develop and implement our strategy to combat terrorism, giving the strongest possible support to the brave men and women of the Police Service of Northern Ireland.
- work to implement fully and faithfully the historic Stormont House Agreement to enable devolution to function more effectively; to deal with the legacy of the past; and to make progress on divisive issues such as flags and parading.
- continue to work closely with the Northern Ireland Executive to implement commitments in the 2013 economic pact to rebalance the economy and to build a more united and stronger society.
- complete the devolution of Corporation Tax powers to the Assembly, consistent with the Executive fulfilling its commitments on finance, welfare reform and efficiencies in the Stormont House Agreement.
