Balancing the budget in a fair way

A responsible approach to tackling the deficit and our country's debts is essential because it underpins everything else we want to achieve. In the last five years, we have worked hard to bring balance back to Britain's public finances. The deficit is now half what it was when we took office in 2010. Nevertheless, there is still work to be done. Only Liberal Democrats will complete the job on time in a way that is fair, enables sustainable growth and protects public services.
