

Labour will:

invest £2.5 billion more than the Conservatives to recruit 8,000 more GPs, 20,000 more nurses and 3,000 more midwives

guarantee GP appointments within 48 hours and cancer tests within one week

join up services from home to hospital, with a single point of contact for all who need it

give mental health the same priority as physical health, with a new right to access talking therapies

repeal the Government's privatisation plans, cap profits and put the right values back at the heart of the NHS

end time-limited 15 minute social care visits and recruit 5,000 new home-care workers to support people in their home

introduce a new gold-standard Technical Baccalaureate for 16 to-18-year olds

protect the entire education budget from early years through to post-16 education

guarantee all teachers in state schools will be qualified

appoint Directors of School Standards to drive up standards in every area

cap class sizes for five, six and seven-year-olds

ensure all young people study English and Maths to age 18.
