11.1 Working for peace and security across the world

From the recent collapse of talks between Israelis and Palestinians to Russian interference in Ukraine, this is a challenging time for peace and security across the world. At times like these we need to redouble our diplomatic efforts and work closely with our EU and NATO partners to promote an active, rights-based foreign policy for our mutual defence.

The UK has a proud record of playing a leading role in the European Union and in international institutions like the UN, NATO and the Commonwealth and should continue to do so, wherever possible promoting our values of freedom and opportunity for all.
