<b>Total new spending</b>	<b>60.3</b>	<b>156.6</b>	<b>169.0</b>	<b>182.5</b>	<b>197.8</b>

Finally, to get to our overall spending plans, we take the baseline plans for expenditure, add on our proposed extra expenditure above, and subtract our proposed savings:

Green Party proposed total government expenditure (£ billion)	2015	2016	2017	2018	2019
2015 baseline	743	743	743	743	743
Add proposed additional spending	60	157	169	183	198
Subtract proposed savings	3	12	15	18	21
<b>Total government expenditure</b>	<b>799</b>	<b>888</b>	<b>897</b>	<b>907</b>	<b>919</b>
