

Liberal Democrats believe Britain should be more equal, and have worked in government to cut taxes for people on low and middle incomes, putting money back in the pockets of millions of people. We have improved childcare support, reformed benefits to make sure work pays and improved back-to-work support. And we have freed up pension savings to give older people more choice about how to manage their money in retirement.

We will continue to rebalance the tax system away from hard work and towards unearned wealth, while stamping out abusive tax avoidance. We will increase availability of childcare to help parents who want to work. We will continue to reform welfare and get people the right support in Jobcentres. We will build on our world-leading reforms to the pensions system. And we will fight tirelessly for a better deal for consumers, in the private and public sectors.
