## Believe in Britain

UKIP believes the key to creating a successful, dynamic economy and a fair society lies in harnessing the ingenuity, resourcefulness and appetite for hard work of the British people.

“Our willingness to take the axe to politically correct spending programmes makes us the one party that can stick to the Treasury’s deficit elimination plan, while cutting taxes and increasing spending on vital services such as the NHS and defence of our nation.”

**PATRICK O’FLYNN MEP**
